Weekly Newsletter of the Kanawha City Church of Christ

BACK TO SCHOOL BLESSINGS

In Acts 20:35, the Apostle Paul quotes Jesus as saying: "It is more blessed to give than to receive." Last week, our church experienced that blessing. We were blessed to be able to give away 114 backpacks to students in our community. As we were able to experience their gratitude and realize the blessing that this was to all of those students; we were also aware of what a tremendous blessing this was to our church.

Any time we can encourage and promote education in a child's life, we can be sure that we are making a lasting impact. Our congregation has been partnering with Chamberlain Elementary for several years. Last week's Weekly Newsletter contained a letter concerning the work with Chamberlain and how to get involved. I would encourage us all to be praying for this work; as well as thinking about how we can each get involved.

Finally, it is time for our kids, and all of us, to come to terms with the fact that Summer is coming to a close and school is starting again. Many teachers and students have already started their school year. Many more will be starting next week. Let's help get these students, teachers, administrators, and parents off to a good start this school year. I would encourage us all to be praying for this upcoming school year.

Additionally, this Sunday we will be having a special worship and prayer service. Please, make it a point to join us and invite friends and especially teachers and students to join us for worship this Sunday. Rather than a normal sermon, I will be giving a brief talk and our elders will be using that time to pray for this upcoming school year and all of those involved in our children's education. Come join us as we strive to bless our students, parents, and educators!

*"Train up a child in the way he should go;
even when he is old he will not depart from it."
(Proverbs 22:6)*

Love you all!
Stephen

NEW LADIES CLASS STUDY

The Wednesday night ladies class will begin a new study starting August 9th and will continue through the end of the year. This will be a book study using the book, Trusting Women: The Way of Women in Churches of Christ by Billie Silvey. The book is a compilation of nineteen stories of women in churches of Christ across the country and the ministries they initiated or served. Each story will be combined with the story of a biblical woman who demonstrates similar commitment, service, or challenges. Please join us Wednesdays at 7:00pm in room 17 as we get to know some mighty women of God! "The Lord announces the word, and the women who proclaim it are a mighty throng:" -Psalm 68:11
