## THE STORY OF LIFE

Happy New Year! This past Sunday I shared a story based upon a compilation of Scriptures. Many people have asked me about where I found this and if I could provide a list of Scriptures used. I found this and saved it many years ago. I am still trying to locate the original source. However, please note that I was not the one to originally compile this. I will try to find out the source and provide it when I can. Below is a list of all Scriptures that were used in the order they were read. If you were unable to be with us Sunday, take the time to read these Scriptures in order. When read in this way, they summarize the theme of the Bible and the purpose of Christ's mission. Hope you all have a blessed week. Remember to spend time in God's Word and in prayer for one another!

Love you all! Stephen

## THE RIGHT THING

Paul Meier said, "Attitudes are nothing more than habits of thought, and habits can be acquired. An action repeated becomes an attitude realized." Once while leading a conference, I was asked for a simple plan to help a person change some wrong attitudes. I recommended two things to help her change her attitude.

First:

*Say the right words,  
Read the right books,  
Listen to the right tapes,  
Be with the right people,  
Do the right things,  
Pray the right prayer.*

The second was to do number one every day, not just once or only when you feel like it, and watch your life change for the better.
