## INDEPENDENCE DAY LESSONS

• **Return to the basics** — On July 4th we commemorate the origins of our country. In terms of faith, we also periodically need to hear again the foundational stories of Creation, the Israelites, and of course, Jesus.

• **Honor the gift of freedom** — "For freedom Christ has set us free ... do not submit again to a yoke of slavery" (Galatians 5:1, ESV). We strive as citizens to preserve and live out our national freedom. Likewise, as citizens of God's kingdom we live gladly in the freedom of salvation and share that gift with others.

• **Enjoy community** — July 4th is known for picnics, parades, and other community gatherings. Similarly, the church is nourished by coming together for worship, meals, and other special events.

• **Be light in the darkness** — As fireworks brighten the sky with light and color, the church is called to display the Gospel's unique light in a dark world. Our word dynamite and the Greek word for power — as in, "You will receive power when the Holy Spirit comes on you" (Acts 1:8) — share a root. Through God's power in us, we share Jesus — dynamically! — with others.
