Weekly Newsletter of the Kanawha City Church of Christ

MOLD UPDATE

As most of you know by now, we are dealing with a mold issue in our building. Mold has been found throughout all of our building. We want you to know that while this is not a severe issue, it is enough of an issue to cause us to need to meet elsewhere until we can get the problem fixed. We are currently working with three different companies to provide us bids to get the mold remediated. All three companies have seen the building; and we are now waiting to hear back about their bids. Until we receive those, there isn't much new information that we can provide. As we know more, we will make that information known to the congregation. In the meantime, here's what you need to know:

- Sunday morning and Wednesday night Bible Classes will be canceled until we can get back into the building.
- LifeGroups will continue to meet and be an important part of staying informed and encouraged.
- Sunday morning worship services will take place at **Chamberlain Elementary School** (4901 Venable Ave, Charleston, WV 25304) at 10:45am, doors will open at 10:30am.
- If you have any questions, feel free to contact Stephen or one of the elders.

We are doing everything we can to get through this as quickly and as cost effectively as possible. Thank you for your cooperation through all of this. We will keep you updated as the process moves forward.

Love you all,
Stephen
