## BUILDING UPDATE

### Roofing Project - COMPLETE!!!

### Mold Remediation:

Auditorium and Foyer - COMPLETE!!!

Classrooms, Offices, and Multipurpose Room - IN PROGRESS!!!

It was good to come back from vacation and see that so much progress had been made! Now that the auditorium is complete and all tests have been passed, we are ready to be back in the building. We will be able to be partially back in the building this week. Hopefully, by early next week we will have full access to the building again and be back up and running at full capacity. Here is our upcoming schedule through this weekend and what you need to know:

Wednesday (10/25) - No Services

Sunday (10/29) - Worship Service Only at 10:45am

When you arrive on Sunday, the only available entrance will be the main doors leading directly into the foyer and auditorium. We will only have access to the auditorium, foyer, and main restrooms. It is our hope and our goal to have all normal church activities resume by Wednesday, November 1st!

We ask that you continue to pray for the church as we work through this process as quickly and efficiently as possible. We ask that you continue to pray for wisdom and guidance for all decisions being made. Thank you for your patience! Thank you for your understanding! Thank you for your love!

Love you all!

Stephen

CHANGE HAPPENS

When we tell ourselves "I can never change" or "That will never happen," we presume too much and believe too little. In Jesus Christ, God renders all of our final conclusions premature and all of our talk of determinism as simply bad faith.

In Christ, God opens closed doors, brings resurrections, reveals possibilities, reclaims the lost, liberates the cursed and possessed, and changes the unchangeable.

—Don Shelby
